Social and Personal

MR. AND MRS. JOHN KERR BRANCH and their daughters, Miss Louise Branch and Miss Mary Louise Branch, have gone to their country place in New York, where they expect to spend most of the coming summer months. Mr. and Mrs. Branch occupied the Myers residence on West Franklin Street this past season, and Miss Louise Branch's Presentation U. S. society here this winter was the occasion of some of the handsomest entertainment that has been done in Richmond for years. The beautiful Japanese ball given by Miss Edith Branch was perhaps the handsomest function of its kind that has been given for a debutante here. The Branch home on the Hudson is one of the show places of that section of New York, and a great many prominent guests are entertained there every summer. Miss Virginia Whiteley is the guest of Miss Branch to two weeks.

Miss Helen Stevens was hostess at a very pretty luncheon given at the Country Club of Virginia on Wednesday.

Of interest here.
Saw Washington exchange of Thursday.
"Countess de Bulweret, wife of the retiring Minister from Belgium, entertained at luncheon yesterday. Her guests included Lady Haddfield, Mrs. Nicholas Anderson, Mrs. William Belton Noble, Mrs. Julian Jones, Mrs. Philip McMillan, and Mrs. Buckner Randolph. The minister will sail on May 20 for his new post at St. Petersburg, and the countess, who was Miss Caroline Story, with their children, will spend the month of June with the countess's parents, Major-General John P. Story, U. S. A., and Mrs. Story at their country place near Annapolis. The countess is having several small farewell parties this month."

The Countess de Bulweret and the minister from Belgium have been recent guests of Henry W. Anderson on West Franklin Street, and were among those entertained on Mr. Anderson's party down the James River. Lady Haddfield was also a guest of Mr. Anderson last week.

Down James River.
Nothing can be more delightful than a trip down James River at this season of the year, and the excursion under the auspices of the Association for the Preservation of the Virginia Antiquities, leaving Richmond at 3 o'clock to morning for Jamestown promises to afford a big contingent of Richmond society. The party will be conveyed down the river on the steamer "Brandon" on the return trip will afford an opportunity, through the kindness of Mrs. Harrison, for the excursionists to see one of the most beautiful and famous of the Colonial mansions on the James River.

Visiting Here.
Mr. and Mrs. J. Schwab spent yesterday in Richmond at the guests of Mrs. S. Sternheimer at Gresham Court, en route to New York City, where they expect to remain some time. Mr. and Mrs. Schwab have recently closed their beautiful summer home, "Shady Crest," near Birmingham, Alabama, and will spend most of the summer in the North. They will be at Mount Clemens, Mich., for part of the summer.

Quarterly Meeting.

The regular quarterly meeting of the Art Club of Richmond was held on Tuesday afternoon and was the most notable and successful in the history of the club. A large and enthusiastic attendance of members made up the audience. The president, Major James H. Dooley, presided, and the report of the board of directors contained the gratifying statement that since October, 1910, the membership had been increased from seventy-five to 155, with a growing student body. There has recently been established a junior membership, so as to include students under sixteen years of age, which entitles them to one free class each week, and other educational privileges. Announcement was made that Miss Bessie Williamson, last year was awarded the scholarship given by the school by the New York School of Art had this spring won a scholarship in the fine class of that institution in competition with students from all over the country. Miss Williamson had been an art student little more than a year in Richmond and only one season in New York, her achievement was most unusual, and one in which Richmond, the Art Club and she herself might take justifiable pride.

Major Dooley made an earnest address, expressing pleasure in the present encouraging conditions of the club, and outlining its splendid possibilities. Following the business meeting, Mrs. Jeffrey Montague made a very charming address.

Commencement Exercises.
Invitations have been received here for the commencement exercises of the Stonehill Jackson Institute at Abingdon, Va., from May 21 to May 24. The exercises of the graduating class will be unusually interesting this year, and a very attractive program has been arranged for the three days over which they extend.

To Meet Next Tuesday.
The Know Your City Study Class will meet on Tuesday afternoon, May 16, at 5:15 o'clock in the auditorium of the John Marshall High School. After a brief business meeting, pictures will be shown illustrating the ground already covered by the members of the class. The work of this class, as has been stated, was to investigate conditions now existing in the city, which has been accomplished with wonderful success.

Members of the class are privileged to invite their friends to this meeting next week.

Crusade Against Mosquitoes.
(Special to The Times-Dispatch.)
Harrisonburg, Va., May 11.—Under the direction of the Board of Health, the town of Harrisonburg is waging a crusade against the ubiquitous mosquito. Twelve barrels of kerosene have been sprinkled over Black's Run, the marshes at Lake Park and other places, where standing water makes a breeding place for the troublesome insects.

"A number of physicians were called, but it seemed beyond their medical power and knowledge to cure me. Having tried numerous treatments without deriving any benefit from them, I had given myself up to the mercy of my dreadful malady, but I thought I would take the Cuticura treatment as a last resort. Words cannot express my gratitude to the one who created the Cuticura Remedies. I have named them, for I thank heaven there was such a miracle as the Cuticura Remedies sent to the suffering world, and now I feel as if I never suffered from even a pimple. My disease was cured, and I shall never again be troubled with it. I shall testify that I will never be troubled with it again. In fact, I can almost dare any skin diseases. I would take the Cuticura treatment as a last resort. Words cannot express my gratitude to the one who created the Cuticura Remedies.
